Set on the ocean liner RMS Titanic, which sank on its maiden voyage on April 15, 1912, the haunting story of the great ship Titanic is transformed into a riveting musical that examines the lives of its passengers in the nights leading up to the ship's fatal encounter with an iceberg. Not to be confused with the blockbuster film, this epic musical follows characters named for actual cast and crew members (unconnected with the tale of Jack and Rose of movie fame). *Playful Theatre Productions* will win your heart with compelling characters and moving personal stories, but the uniqueness of TITANIC is that the central character in the drama is the great ship herself. You won't want to miss.... the boat on this one!
